Celtic origin: location in time and space? Reconsidering the "East-West Celtic" debate 259 European group On this basis it is argued that Celtiberian was intrusive, arriving some time before the earliest mention of the Celts in Iberia in the sixth century" [Cunliffe 1997: 24]

### **Were Celtic identities constructed by archaeologists..?**

Were Celtic identities constructed by archaeologists? Tacitus (1970:62), an eye witness to the Pre- Roman Britons, wrote a non-judgmental analysis of the pre-historic inhabitants saying "it seems likely that Gauls settled in the island lying so close to their shores" and that the peoples had similar language, religious beliefs and courage
